Metrony — Metronome Application
Lumitrix Software

Last Updated: February 24, 2026

1. Publisher Information

Field	Details
Application Name	Metrony
Publisher	Lumitrix Software
Contact Email	lumitrixsoftware@proton.me
Application Version	1.0.0
Platform	Android

2. Purpose of the Application

Metrony is a digital metronome application designed to assist musicians in tempo training, rhythm practice, and musical performance. The App provides adjustable BPM settings, beat pattern configuration, tap tempo detection, music notation display, multilingual support, and a home screen widget.

3. Intellectual Property

3.1 Copyright

All content within the Metrony application, including but not limited to source code, design elements, user interface, graphics, icons, logos, audio samples, animations, and textual content, is the exclusive property of Lumitrix Software and is protected by applicable copyright laws.

© 2026 Lumitrix Software. All rights reserved.

Unauthorized reproduction, distribution, modification, or use of any protected material without the express written consent of Lumitrix Software is strictly prohibited.

3.2 Trademarks

“Metrony” and “Lumitrix Software” are trademarks of Lumitrix Software. All other trademarks, trade names, and logos referenced within the App are the property of their respective owners. Reference to any third-party trademarks does not constitute or imply affiliation, endorsement, or sponsorship.

3.3 Audio Assets

The metronome audio samples (accent, normal, and subdivision sounds) bundled with the App are original works created for and owned by Lumitrix Software. These assets are licensed exclusively for use within the Metrony application and may not be extracted, redistributed, or used in any other context.

4. Third-Party Services and Attributions

Metrony integrates the following third-party services and components:

4.1 Google AdMob

Advertising services are provided by Google AdMob, a product of Google LLC. AdMob displays banner advertisements within the App and may collect certain data as described in our Privacy Policy. Google AdMob is subject to Google's Terms of Service and Privacy Policy.

- **Provider:** Google LLC
- **Website:** <https://admob.google.com>
- **Privacy Policy:** <https://policies.google.com/privacy>

4.2 Google Fonts

Typography within the App is rendered using Google Fonts. Font files may be downloaded from Google servers during use.

- **Provider:** Google LLC
- **Website:** <https://fonts.google.com>
- **License:** Fonts are distributed under the SIL Open Font License or Apache License 2.0.

4.3 VexFlow

Music notation rendering is powered by VexFlow, an open-source music notation library.

- **License:** MIT License
- **Repository:** <https://github.com/0xfe/vexflow>

4.4 Open Source Software

Metrony incorporates open-source software components. A full list of these components, their authors, and their respective licenses is available directly within the Application's settings menu under the "Licenses" section.

5. Limitation of Liability

The information and services provided by Metrony are offered "as is" and "as available" without warranties of any kind. Lumitrix Software makes no representations or warranties regarding the accuracy, reliability, completeness, or timeliness of the App's functionality.

To the maximum extent permitted by applicable law, Lumitrix Software shall not be liable for any direct, indirect, incidental, special, consequential, or punitive damages arising from:

- Your use of or inability to use the App.
- Any errors, bugs, or inaccuracies in the App.
- Any loss of data stored locally on your device.
- Any content displayed by third-party advertising services.
- Any interruption or cessation of the App's functionality.

6. Applicable Law

This Legal Notice and any disputes arising in connection with the Metrony application shall be governed by and construed in accordance with the laws of France.

7. Accessibility

We are committed to making Metrony accessible to all users. The App supports 19 languages and is designed following modern accessibility guidelines. If you experience any accessibility issues, please contact us at lumitrixsoftware@proton.me.

Supported Languages: Metrony supports 19 languages, including English, French, Spanish, German, Portuguese, Russian, Chinese, Japanese, Korean, Hindi, Arabic, Bengali, Indonesian, Urdu, Vietnamese, Turkish, Telugu, Tamil, and Marathi.

8. Updates to This Legal Notice

This Legal Notice may be updated from time to time. The “Last Updated” date at the top of this document will be revised accordingly. Your continued use of the App after any changes constitutes your acknowledgment and acceptance of the updated Legal Notice.

9. Contact Information
